Instructions: Find the bold words from the scripture in the word search puzzle. Each word could be hidden forwards, backwards, up, down, or diagonally.

Alma 17:2-3

Now these sons of **Mosiah** were with **Alma** at the time the angel first appeared unto him; therefore Alma did rejoice exceedingly to see his brethren; and what added more to his joy, they were still his brethren in the Lord; yea, and they had **waxed strong** in the **knowledge** of the **truth**; for they were men of a **sound understanding** and they had **searched** the **scriptures diligently**, that they might know the word of God. But this is not all; they had given themselves to much **prayer**, and **fasting**; therefore they had the **spirit of prophecy**, and the spirit of **revelation**, and when they **taught**, they taught with **power** and **authority** of God.
