WORDS OF MORMON

By Julie Wardell

To find out something important that Mormon did with the large plates of Nephi, connect the dots to the Xs and the stars to the triangles.

Mormon Witnesses the Destruction of the Nephites

Help Mormon keep the records safe from the Lamanites by helping him find a way through the maze so he can hide the plates in the Hill Cumorah for his son Moroni.

The image contains a large rectangular maze. On the left side of the maze, there is a 'Start' label with an arrow pointing to the left edge of the maze. To the right of the 'Start' label is a drawing of a man in a long robe and a head covering, holding a book. On the right side of the maze, there is an 'End' label with an arrow pointing to the right edge of the maze. To the right of the 'End' label is a drawing of a sun with rays.
