Joseph Smith History 1:12

Never did any passage of scripture come with more **power** to the heart of man than this did at this time to mine. It seemed to enter with great **force** into every **feeling** of my **heart**. I **reflected** on it again and **again**, knowing that if any person needed **wisdom** from God, I did; for how to act I did not know, and unless I could get more **wisdom** than I then had, I would never know; for the **teachers** of **religion** of the different **sects understood** the same passages of scripture so **differently** as to **destroy** all **confidence** in **settling** the question by an **appeal** to the **Bible**.

Joseph Smith—History 1:25

So it was with me. I had actually seen a **light**, and in the midst of that light I saw two Personages, and they did in reality speak to me; and though I was hated and persecuted for saying that I had seen a vision, yet it was true; and while they were persecuting me, reviling me, and speaking all manner of evil against me falsely for so saying, I was led to say in my heart: Why persecute me for telling the **truth**? I have actually seen a **vision**; and who am I that I can **withstand** God, or why does the world think to make me **deny** what I have actually seen? For I had **seen** a vision; I **knew** it, and I knew that God knew it, and I could not deny it, neither **dared** I do it; at least I knew that by so doing I would **offend** God, and come under condemnation.
