Joseph Smith—History 1:25

So it was with me. I had actually seen a **light**, and in the midst of that light I saw two Personages, and they did in reality speak to me; and though I was hated and persecuted for saying that I had seen a vision, yet it was true; and while they were persecuting me, reviling me, and speaking all manner of evil against me falsely for so saying, I was led to say in my heart: Why persecute me for telling the **truth**? I have actually seen a **vision**; and who am I that I can **withstand** God, or why does the world think to make me **deny** what I have actually seen? For I had **seen** a vision; I **knew** it, and I knew that God knew it, and I could not deny it, neither **dared** I do it; at least I knew that by so doing I would **offend** God, and come under condemnation.

Doctrine and Covenants 52:14–19

And again, I will give unto you a **pattern** in all things, that ye may **not** be **deceived**; for Satan is abroad in the land, and he goeth forth deceiving the nations—Wherefore he that **prayeth**, whose spirit is **contrite**, the same is **accepted** of me if he **obey** mine **ordinances**. He that speaketh, whose spirit is contrite, whose **language** is **meek** and **edifieth**, the same is of God if he obey mine ordinances. And again, he that **trembleth** under my **power** shall be made **strong**, and shall bring forth fruits of **praise** and **wisdom**, according to the revelations and truths which I have given you. And again, he that is overcome and bringeth not forth **fruits**, even according to this pattern, is not of me. Wherefore, by this pattern ye shall **know** the spirits in all cases under the whole **heavens**.

Saving the Book of Commandments

By Arie Van De Graaff

When a mob destroyed the press that was printing the Book of Commandments, sisters Mary Elizabeth and Caroline Rollins risked their lives to save several pages of the book. These revelations were later printed in the Doctrine and Covenants.

To find out what trait these two sisters showed, match the number of pages in each stack with the matching number at the bottom of the page. Then write the letters in the right spots.

Doctrine and Covenants 107:1–5

There are, in the church, two **priesthoods**, namely, the Melchizedek and **Aaronic**, including the Levitical Priesthood. Why the first is called the Melchizedek Priesthood is because **Melchizedek** was such a **great high priest**. Before his day it was called the **Holy** Priesthood, after the **Order** of the **Son of God**. But out of respect or **reverence** to the name of the Supreme Being, to avoid the too **frequent repetition** of his name, they, the church, in ancient days, called that priesthood **after** Melchizedek, or the Melchizedek Priesthood. All other **authorities** or **offices** in the church are **appendages** to this priesthood.

Family Search

By Arie Van De Graaff

Pretend you just heard a family story about someone who joined the Church while at college. They're the first member of the Church in your family! You didn't hear their name, though, so do this activity to find out who it was. Start in the upper left corner and draw a straight line from each two-letter bubble that spells out the phrase "Family History—The Spirit of Elijah." When you're done, look for the one photo that doesn't have a line through it. This is the family member you're looking for!

“A Voice of Gladness for the Living and the Dead”

Doctrine and Covenants 128:18

I might have rendered a plainer translation to this, but it is sufficiently plain to suit my purpose as it stands. It is sufficient to know, in this case, that the earth will be smitten with a curse unless there is a welding link of some kind or other between the fathers and the children, upon some subject or other—and behold what is that subject? It is the baptism for the dead. For we without them cannot be made perfect; neither can they without us be made perfect. Neither
