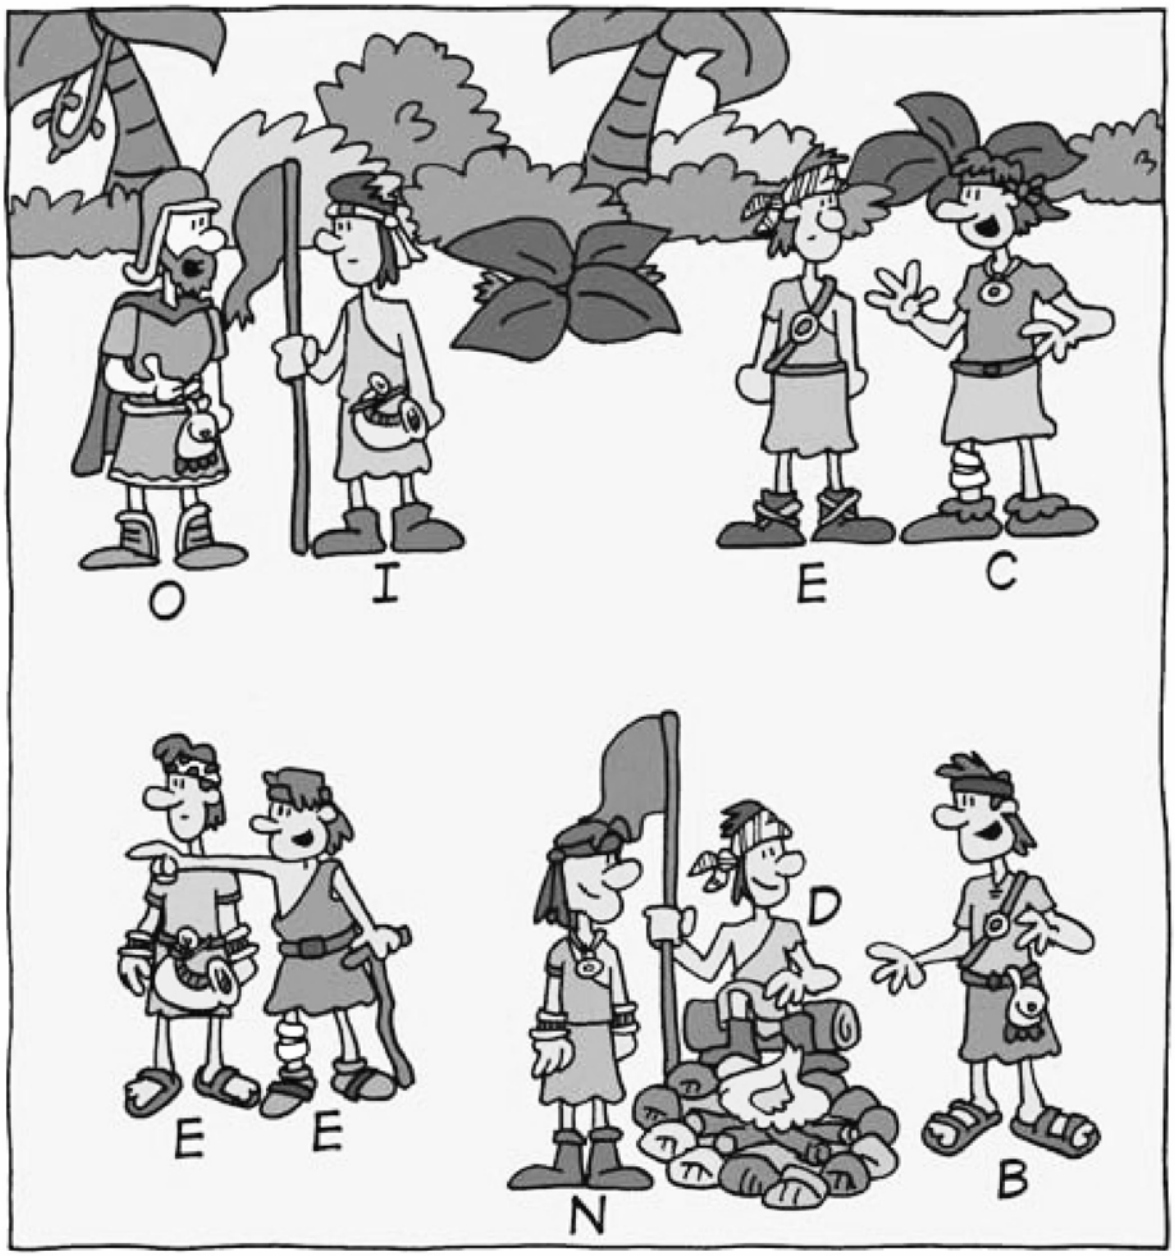
# Important Trait

By Arie Van De Graaff



Each of these soldiers has something in common with another. For example, Helaman (O) has the same pouch as the soldier on the bottom right of the page (B). Now find what the soldier with the pouch has in common with another soldier. Write the letter under that soldier in the next available space below. Continue to find similarities until all the spaces are filled with letters. The letters will spell a trait that was important to the soldiers in Helaman's army.

O B
