The Temple and the Plan of Happiness

Instructions: Fill in the blank puzzle grid using the word bank with the bold words from the scripture below. Place the words in the correct place on the grid.

“Why Latter-day Saints Build Temples,” temples.ChurchofJesusChrist.org.

From the very beginning, there have been sacred places upon the earth where God has communed with His children. They were designated by God and hallowed by His presence as places where He would teach and bless His children. Many of these places are recorded in the scriptures. The Garden of Eden was surely a sacred place....In addition to sacred places, the Lord also directed that sacred temples be constructed.
